Homologation Period	5	years			

***Phase 1:** Requires submission of all homologation drawings (2D/3D), documents, pictures, sample parts and production quantities. An inspection must be carried out by the FIM CTI Homologation Coordinators to confirm the validity of all the documents. This basic Phase 1 homologation can be used by National series' to make conformity checks.

****Phase 2:** Has requirements specific to different series'. In the <https://www.fim-moto.com/en/documents/view/2023-fim-homologation-regulations-for-motorcycles> you can find the requirements that must be completed to be eligible for the FIM World Championships.

About the FIM (www.fim-moto.com)

The FIM (Fédération Internationale de Motocyclisme) founded in 1904, is the governing body for motorcycle sport and the global advocate for motorcycling. The FIM is an independent association formed by 119 National Federations throughout the world. It is recognised as the sole competent authority in motorcycle sport by the International Olympic Committee (IOC). Among its 50 FIM World Championships the main events are MotoGP, Superbike, Endurance, Motocross, Supercross, Trial, Enduro, Cross-Country, Speedway and E-Bikes. Furthermore, the FIM is also active and involved in the following areas: public affairs, road safety, touring and protection of the environment. The FIM was the first international sports federation to impose an Environmental Code in 1994.
